## ADULT EDUCATION PROGRAM

Urban League of Greater Hartford Adult Education program is designed to provide Greater Hartford area adults who have not completed high school with the educational services necessary to acquire a high school (GED) diploma, to improve basic reading, writing, and mathematics skills, and to improve English language skills (ESL).

The program addresses the educational needs of individuals who need to improve basic education skills in order to achieve an academic skill level that will permit them to qualify for entry into skills training programs, secure permanent stable employment, and improve their future educational and career opportunities.

The program is a comprehensive educational service which provides students with job acquisition and retention skills and greater access to career-oriented employment, training and higher educational opportunities.

### What is the GED?

The General Educational Development (GED). The primary aim of the General Educational Development (GED) testing program in Connecticut is to provide a second opportunity for individuals to obtain their high school diplomas. **Applicants for this examination must be at least 17 years of age and officially withdrawn from school for at least six months.** Individuals who pass the GED Tests are awarded a Connecticut State High School Diploma.

The GED test is computer based test that consist of the following content:

- Reasoning though Language Arts
- Social Studies
- Science

Mathematical Reasoning

-
